GROUP LLC

The oh so moorish Mis Amigos Chocolate Tequila has been blended by our Master with soft cream to produce a delicious Tequila cream drink.

A great after dinner drink, or shot to start the party! The Tequila provides the kick, whilst the chocolate and cream leaves a long-lasting flavour that only makes you pour another.

THE ULTIMATE SWEET TREAT WITH A KICK!

Finest Dark Quality Chocolate is combined with Soft Double Cream and Sweet Mexican Tequila.

Enjoy as a shot straight-up, on the rocks or even topped with light and fluffy whipped cream.
